Growing the Canadian Bioinformatics Ecosystem

Canadian Bioinformatics Hub

Bioinformatics.ca presents the **Canadian Bioinformatics Hub:** Canada's platform for Bioinformatics, Computational Biology, and Data Science training development and community engagement.

Opportunities

- Training Awards
- Teaching opportunities
- Event Sponsorships
- Indigenous Awards
- Partnerships program
- Supplementary funds for Indigenous events

Programming

- Peer mentorship
- Skills workshops
- National conference
- Career development
- Community events
- Regional groups

Bioinformatics.ca presents the Indigenous Trainees Circle for Bioinformatics Training (ITCBT)

Join the circle

itcbt.ca

CBH Alberta Node
alberta@bioinformatics.ca

David Wishart
dwishart@ualberta.ca

Wyeth Wasserman
Wyeth.Wasserman@ubc.ca

The ITCBT is a supportive space for Indigenous trainees to:

- Develop practical bioinformatics skills
- Connect with a network of peers
- Access dedicated funding opportunities
- Contribute to the national community
- Empower future generations of researchers

Get Involved

Join our mailing list and benefit from the resources that CBH has to offer. You'll hear from us every few months.
